Register & Application: <https://acsef.zfairs.com>

Email: alamedacountysef@gmail.com

Phone: 925-426-7879

Important Stuff –

Registration Deadline: February 1st

Application Deadlines:

#1 - January 10th - Early Deadline for projects that need safety review by the fair's review committees BEFORE STARTING experiments involving Human Subjects, Vertebrate Animals, Human/Vertebrate animal tissues, Microbes and DEA controlled substances.

#2 – February 5th – For projects that do not involve any of the above.

- **Did you know** that by participating in a science or engineering fair research project that you will be 98% more likely to earn college scholarships and admissions to college?
- **Project Tips – Learn how to go from IDEA to FAIR** <http://acsef.org/generalrule.html>

The annual Synopsys Alameda County Science & Engineering Fair – Synopsys ACSEF showcases science and engineering research projects of students in grades 6-12 who attend schools in Alameda County California (including home school). These students will become our future scientists, technology experts, engineers, and mathematicians. This regional competition celebrates achievement by middle and high school students supported by their parents, teachers, and schools. **It is the ultimate S.T.E.M. experience.**

The Synopsys ACSEF is affiliated with the prestigious Intel International Science & Engineering Fair - ISEF, International Sustainable World Energy, Engineering, Environment Project Olympiad – ISWEEEP, national Broadcom Masters, and the California State Science Fair – CSSF. Synopsys ACSEF students are selected to attend these fairs.
